

PlanetMark  
Certified Business

# We are Planet Mark Certified

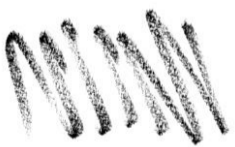

Year 11.

# Bywaters

recycling made easy

This is to certify that Bywaters has achieved the Planet Mark by reporting a reduction in its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2025

### Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
